FINAL TRAILS MASTER PLAN

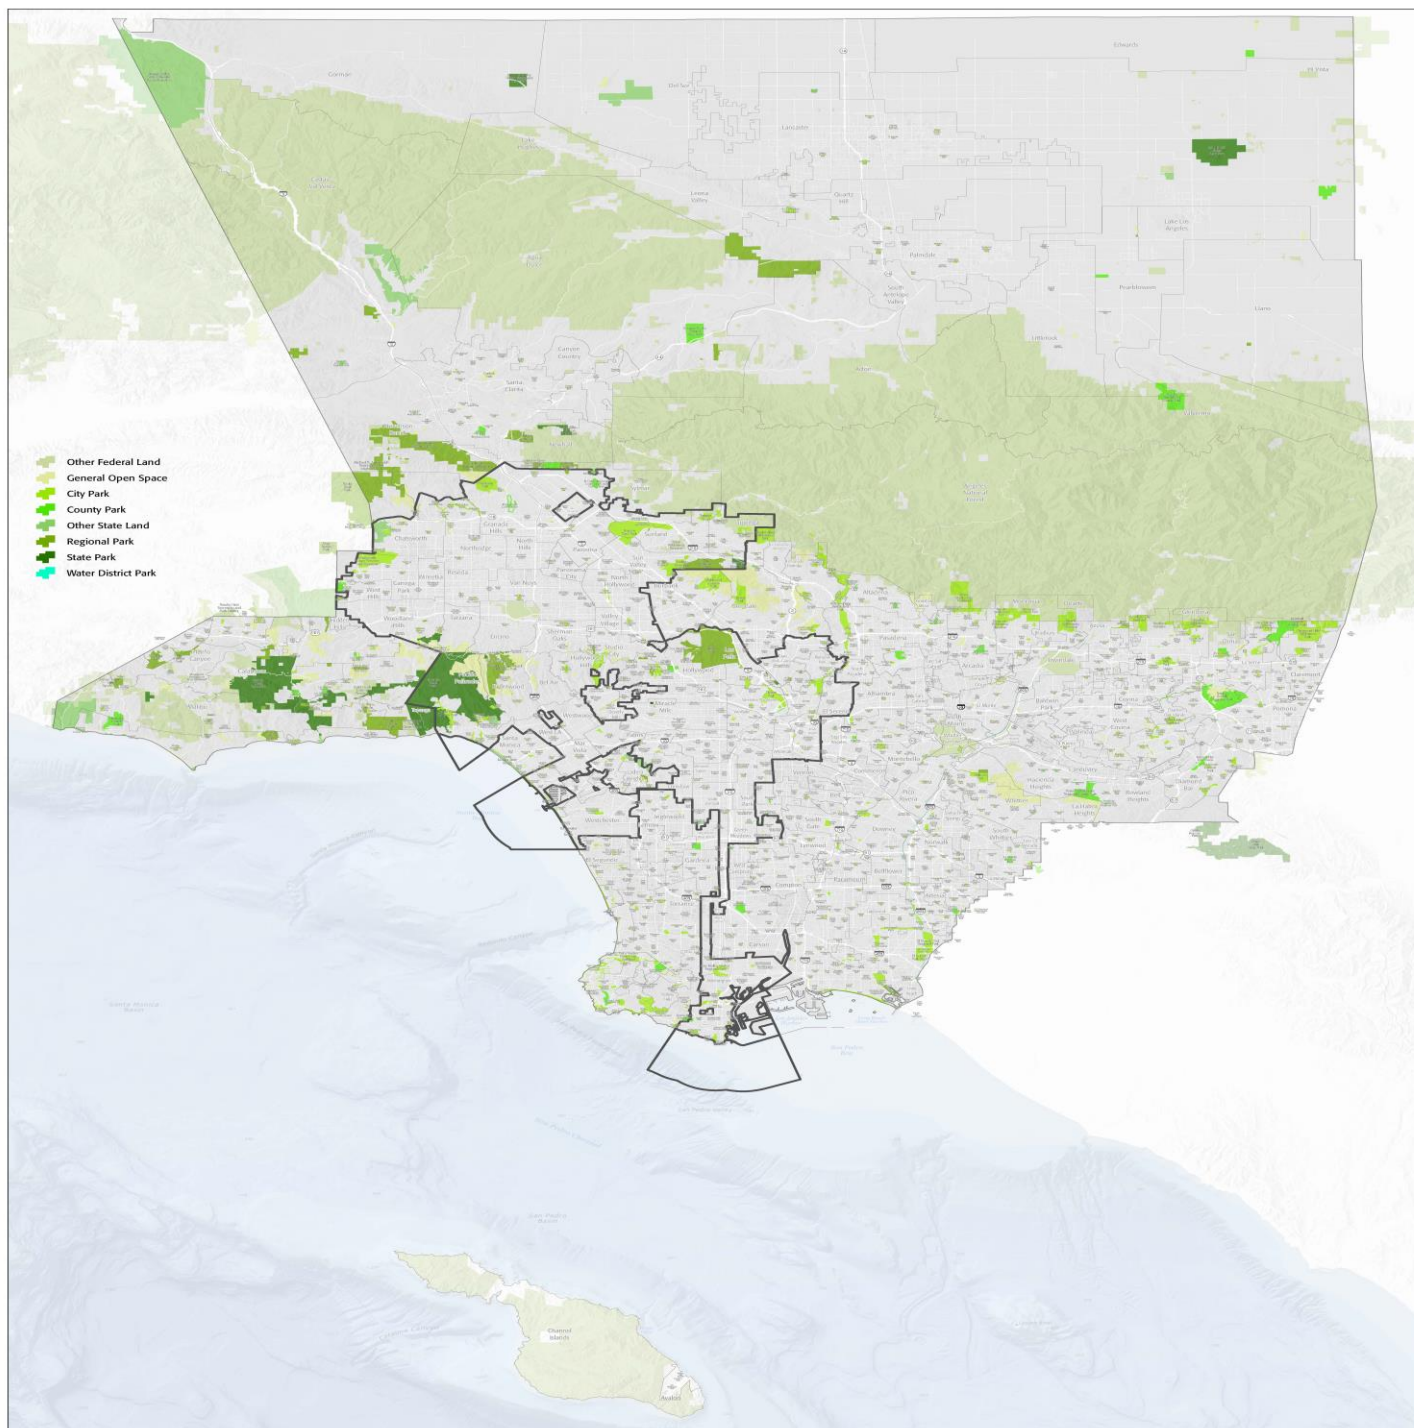

Sapphos
environmental inc.

SANTA SUSANA MOUNTAINS TRAILS MASTER PLAN

SANTA SUSANA MOUNTAINS TRAILS MASTER PLAN

- Create a Trails Master Plan to guide individual residential subdivision plans
- Interface with the County's General Plan and EIR
- Private property coordination
- Coordinate with the gas company
 - Homeland security and trespass issues

COMPREHENSIVE COUNTYWIDE PARKS AND RECREATION NEEDS ASSESSMENT

- Assessment of all existing public parks, trails and recreation facilities in the County
- Coordination with 88 cities, open space agencies, non-profits
- 40-member Steering Committee to guide planning process and key decisions
- Web portal to collect and verify data

COMPREHENSIVE COUNTYWIDE PARKS AND RECREATION NEEDS ASSESSMENT

- Will result in a visionary list of projects and cost estimates
- Will identify future opportunities for parks and recreation throughout the County
- Will assist cities and unincorporated areas in future planning
- May be used as a guide for potential development of future funding mechanisms
- Results could also be used to leverage Federal and State resources, and guide local funding decisions.
